Name: Matthew Teng

Email: matthew.teng@gmail.com

### I am committed to using my top BP10 Talents in the following ways:

-Pursue my career in such a way that I will gain enough confidence with the research, experiences etc. that I encountered such that I will be able to either create or join a start up.

### The first action I will take to use my top BP10 Talents in my life is to:

-Practically further my technical expertise in my field in order to become a valuable asset to my team  
-Indulge in other fields so I am not restricted to only my given field in the future.
