

# Value Statements

DATE	STATEMENTS	TAKEAWAYS
1/25/18	Changing the norm or standard of education through interactive classes	Creating a holistic and engaging environment in a startup setting.
1/30/18	Take note of the different perspectives that others have	Include retrospectives to listen to everyone's ideas as they might be different, but helpful.
2/1/18	Try to align your talents, or create parity with your resume	Create a sense of alignment to showcase your talents with your skills and experiences.
2/6/18	The intricacies of using Zoom or videocalls	Utilizing many features to improve non-physical communication over video calls using Zoom.
2/8/18	Absent	N/A
2/13/18	The Foundation Center is an amazing resource for information on grants, funding, etc.	If I want to create a startup in the future, I can use these resources to my benefit.
2/15/18	The value of connotation when presenting one's ideas	Even if one's idea is well thought out, the presentation of this idea affects how other people also view the idea.
2/20/18	February Break	N/A
2/22/18	The assumptions one makes can affect the outcome of an ideation process	Keep an open mind during the ideation process.
2/27/18	There exists a subjective view of the content depicted from vlogs	Be sure to get other people's opinion on your content before you present it!
3/1/18	Learning about the SBDC and the value it provides to entrepreneurs	Similar to the Foundation Center, I can potentially utilize the SBDC as a resource if needed.
3/6/18	GSBDC scalability issues and value propositions	Make use of GSBDC's iteration process, as this is a common problem when running a business.
3/15/18	ABSENT	N/A
3/20/18	Focus on how resilience is pivotal in relationships	Try not to only make relationships with people who share the same viewpoint as yourself, try to find differing opinions to create new ideas.
3/22/18	(Verbal) LHW & HES	Using LHW over certain aggregator websites in the future.

DATE	STATEMENTS	TAKEAWAYS
3/27/18	(Hakan Ozakbas) Don't discount any ideas	Any ideas can be expounded on, so don't eliminate any too early.
3/29/18	Animaker for vlogs	To make videos more interactive or engaging, there are a variety of animated video makers online.
4/3/18	Spring Break	N/A
4/5/18	Spring Break	N/A
4/10/18	ABSENT	N/A
4/12/18	(Arel Moodie) Embrace failure, treat experiences as a mirror	Don't be afraid to attempt something you know will fail, instead try to gather all the knowledge you can from that experience to apply later on.
4/19/18	(Joe Tagliente) Plan with a purpose	When setting personal objectives, make sure to understand why I've set these goals.
4/24/18	Met at Phillips	Try to experience what you can, when you can
4/26/18	No class	N/A
5/8/18	(Outside, Last Class) Make a difference	Be conscious of your decisions moving forward, and how they affect not only yourself, but others as well.
